

# Safety Begins With You

Coloring Book

HEY KIDS,  
NICE HELMETS!

OSCAR'S  
DELI & MARKET

State of Utah

Department of Public Safety

THANKS FOR LOOKING  
BOTH WAYS BEFORE  
CROSSING!

HI OFFICER  
WENDY!

**Officers are your friends, they keep you protected and safe.**

MAKE SURE WHEN YOU  
GET IN THE CAR, EVERYONE  
IS BUCKLED UP!

POLL

**What do you think this officer's name is?  
Will you give him a name?**

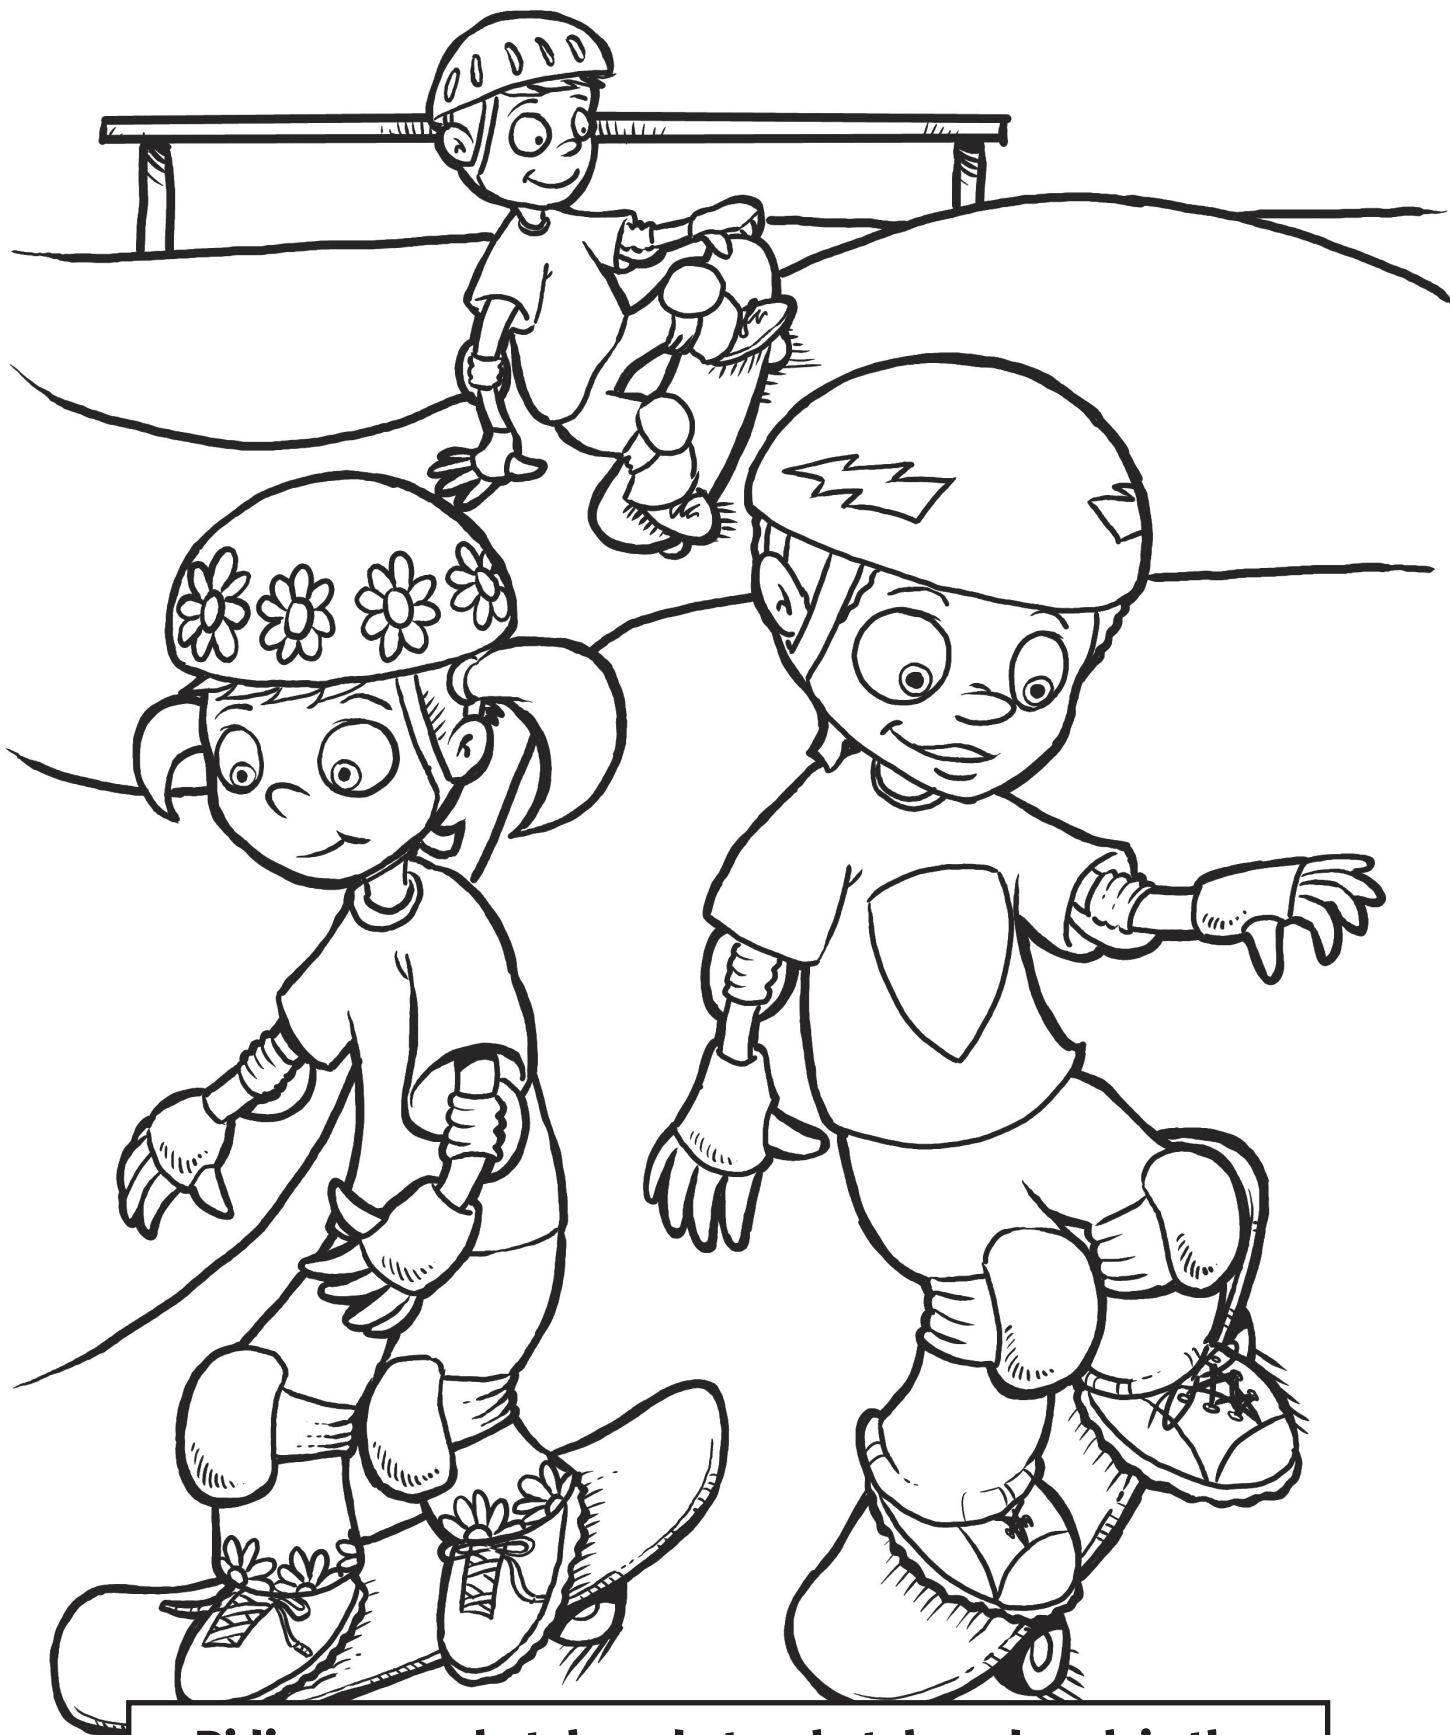

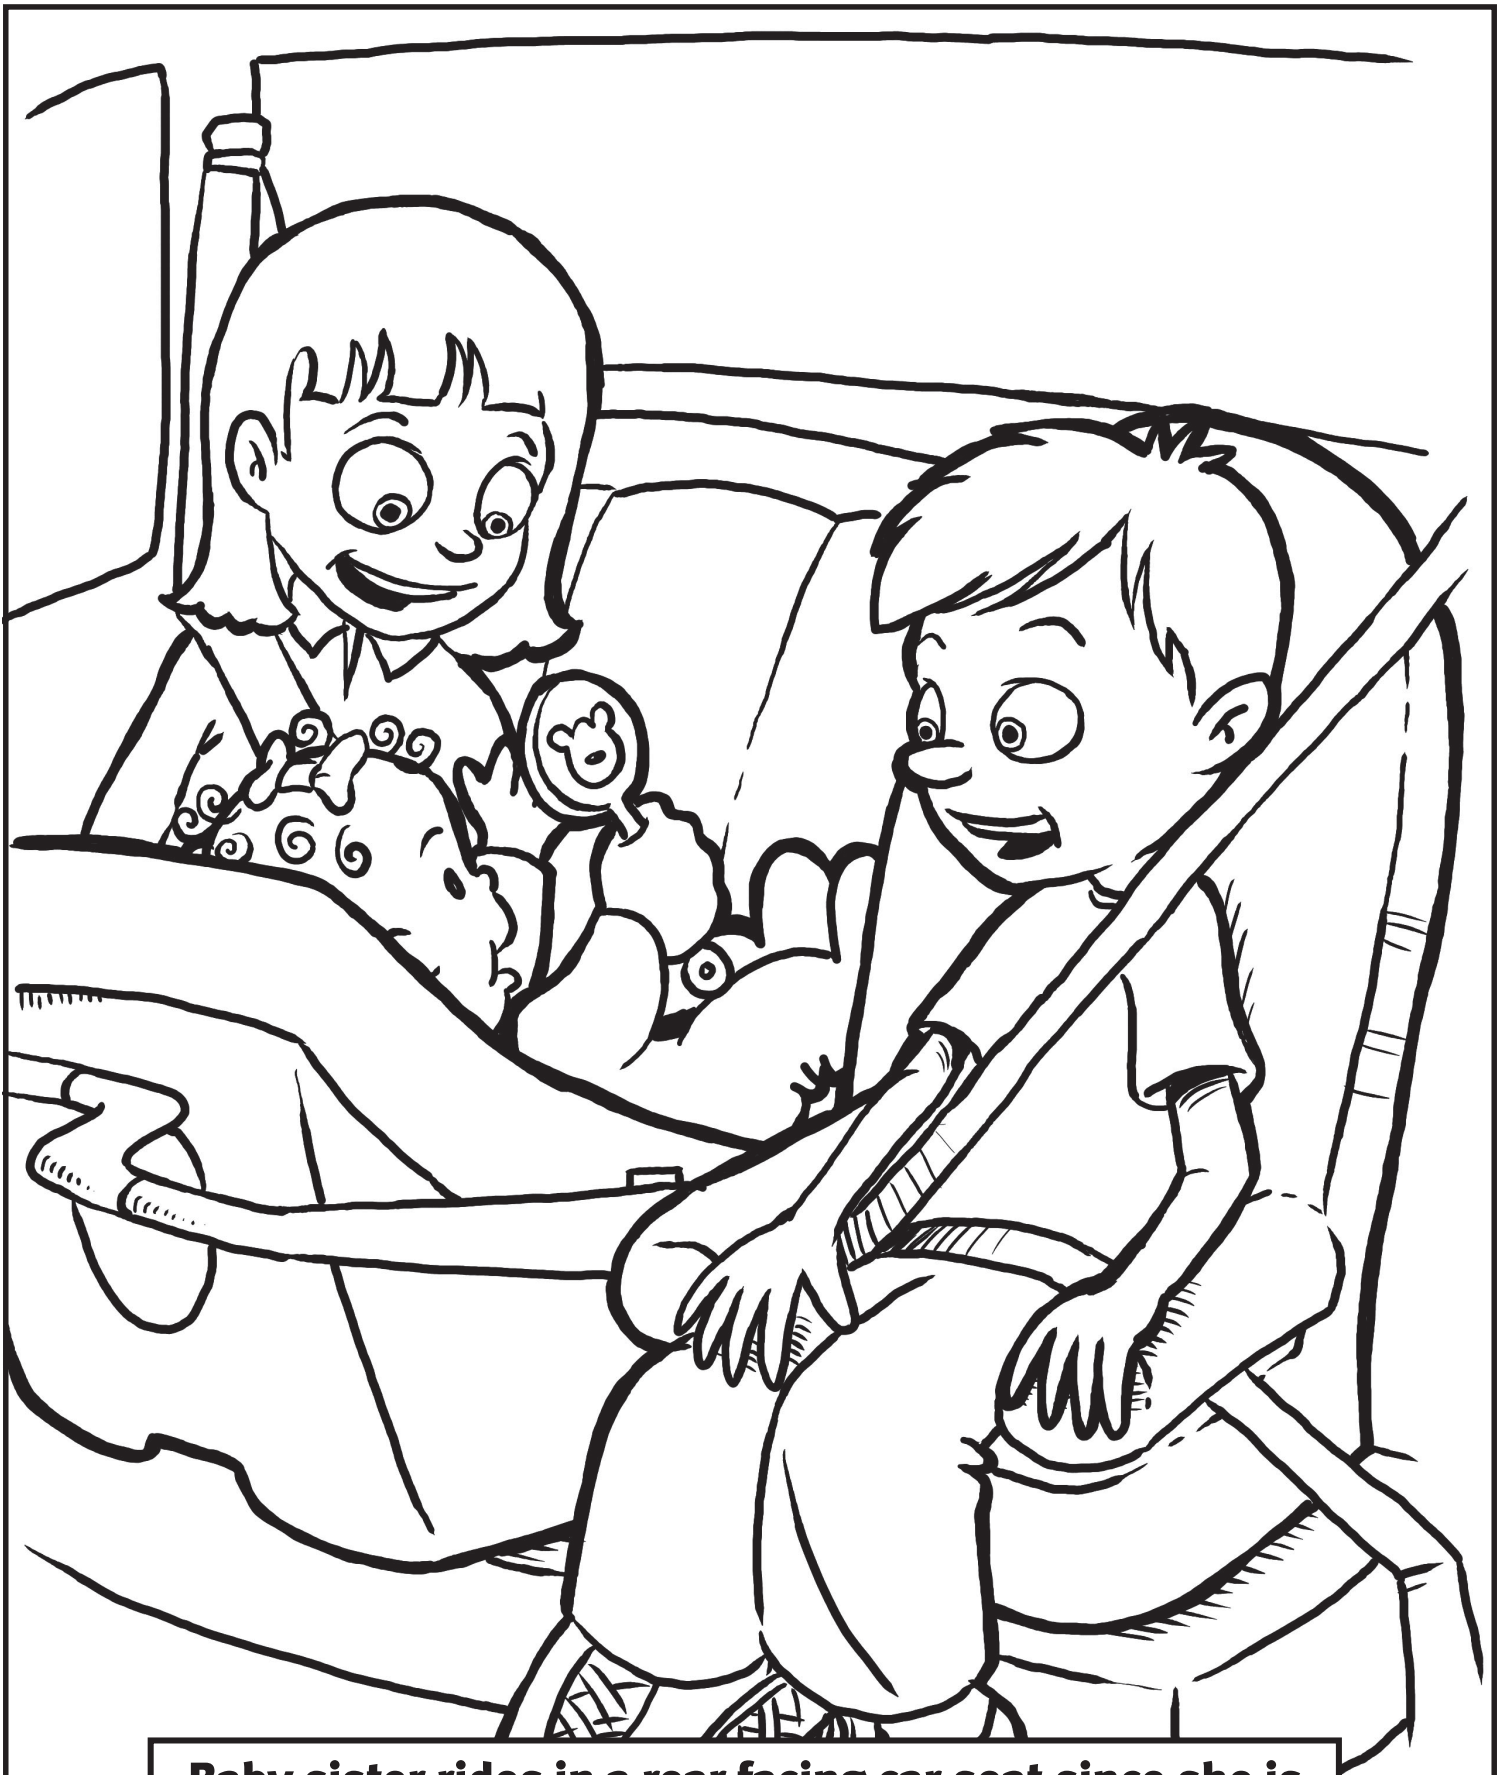

OKAY, NO CARS  
COMING. LET'S GO!

**Looking both ways helps you to see cars approaching —  
STOP! Look Left, Look Right, and Look Left again.**

**Riding your skateboard at a skateboard park is the safest place. What else is making these children safe?**

**Baby sister rides in a rear facing car seat since she is under a year old. Riding in a booster seat is the safest place for big brother to be.**

SWEET!  
I CAN SEE  
OUT!

**Make sure everyone in the car buckles up!**

**Look BOTH ways when crossing in front of the bus to go to the other side, even though bus lights are flashing.**
